

Meet our *new* styling superstar, This is an Invisible Dry Shampoo!

Dare to skip your next wash day with This is an Invisible Dry Shampoo.

Our new residue-free formula is made with rice starch, an environmentally friendly ingredient that offers absorption of oils and sebum, leaving your hair fresh and clean.

But that's not all!

Formulated with moisturizing ingredients, This is an Invisible Dry Shampoo delivers static-free, naturally soft and refreshed hair. With a few sprays, this dry shampoo gives volume from roots to ends, extending styles day after day.

Put it in your gym bag, your purse, or use it at home in between washes! Suitable for all hair types, This is an Invisible Dry Shampoo offers endless possibilities!

A product to feel good about

The formulas aren't all to be excited about, we also are proud to create products with a positive environmental impact, and This is an Invisible Dry Shampoo is no exception.

Packaged in 100% post-consumer aluminum, it's the first of its kind in the More Inside Family, and of course is carbon-neutral.
