## LANOCE'S FINE FOOD FOR FILM LLC.

Farm Fresh, Healthy, Organic Foods, Locally Grown, And Assembled With Only The Best Ingredients Available. Served To You And Your, Guests, With A Simple But Elegant Presentation.

Joe LaNoce has Built a state of the art mobile kitchen. This allows our trained culinary staff to prepare and serve the finest food available in the industry to date. This mobile kitchen has ample refrigeration equipment to keep all foods safe and fresh.. Also having additional cooking equipment gives more flexibility when it comes to menu variety, while keeping up with demanding and sometimes challenging locations, always maintaining fresh and delicious food. Also this kitchen is a USDA approved Serve Safe environment with highest standards in cleaning and sanitation. We pride ourselves with our impeccable standards.
